DECLARATION

85-70

As a below named inventor(s), I (we) hereby declare that:

My (our) residence, post office address and citizenship are as stated below next to my (our) name.

I (we) believe I (we) am (are) the original, first and sole inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled: MEMORY MODULE HAVING ON-CHIP SURGE CAPACITORS, the specification of which is attached hereto.

Serial no. 27294

I (we) hereby state that I (we) have reviewed and understand the contents of the above identified specification, including the claims.

I (we) acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, # 1.56(a).

I (we) hereby claim foreign priority benefits under Title 35, United States Code, # 119 of any foreign applications(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

I (we) hereby claim the benefit under Title 35, United States Code, # 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, # 112, I (we) acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, # 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

I (we) hereby direct that all correspondence and telephone calls be addressed to Stanley N. Protigal, (Registration #28,657), and/or Angus C. Fox, III, (Registration #31,828), at 2805 East Columbia Road, Boise, Idaho, 83706 (208) 386-3781.

I (we) hereby declare that all statements made of my (our) own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
